

Impact Dance Program Winter/Spring 2012

At Maitland Montessori

Ages 3-5

Join us as we continue Impact's Dance Program at Maitland Montessori. Please note these classes are not a repeat but a progression. Dance is a discipline that requires years of training. Impact instructors pride themselves on teaching new and innovative classes while providing the structure and discipline required to learn proper ballet technique.

Pre Ballet is a wonderful beginning to learning about the joy and beauty of dance. At this early stage, young dancers learn basic ballet technique using fun and imaginative stretching and movement exercises. This gentle introduction to classical ballet will also aid in developing coordination, spatial awareness and fine and gross motor skills. Children will delight in this class that encourages imagination, creativity as well as group interaction and working together! -
